To Whom It May Concern:

I have had the pleasure of working with Rex Anderson on several occasions to file motions for the release of surplus funds. I am very pleased with his follow up regarding these matters as he has always responded promptly to e-mails and phone calls. Rex also goes above and beyond when sending the payment out by providing the tracking information as well as having an e-mail sent to me by the shipper to confirm that the payment has been delivered. I would recommend Rex Anderson to anyone needing his services and I look forward to using his services in the future.

Sincerely
